

Alberta Coaches enjoyed tremendous progress the weekend of 28 January, with Assistant-Instructor (AI) and NCCP Learning Facilitator (LF) workshops in Edmonton.

Mr. Dave Hill, Director at the Canadian Sport Centre Pacific/National Coaching Institute and a key player in Taekwondo NCCP development, spent the weekend in Edmonton. He and Grandmaster (GM) Chung facilitated the LF workshop and GM Chung was the lead facilitator for the AI workshop that enabled our new LFs to put their new skills into practice. Eight facilitators on Sunday meant that the AI workshop was not limited to 16 coaches. Finally, GM Chung completed his LF evaluation and is now a Master Learning Facilitator for Taekwondo Canada.

Congratulations to the following successful coaches:
